fivefourstudios

fivefourstudios offers up to 600 sqm of high-spec photographic studio space split over three self-contained, fully-serviced photographic studios, including a drive-in studio with infinity cove and a full daylight studio.

each of the pure white studios
features differing levels of
controllable natural light, as well as
private bathrooms, hair
and makeup suites and dining
areas.

all studios are also served with air-
conditioning, 3-phase power, high-
speed wifi and a secure, gated car
park.

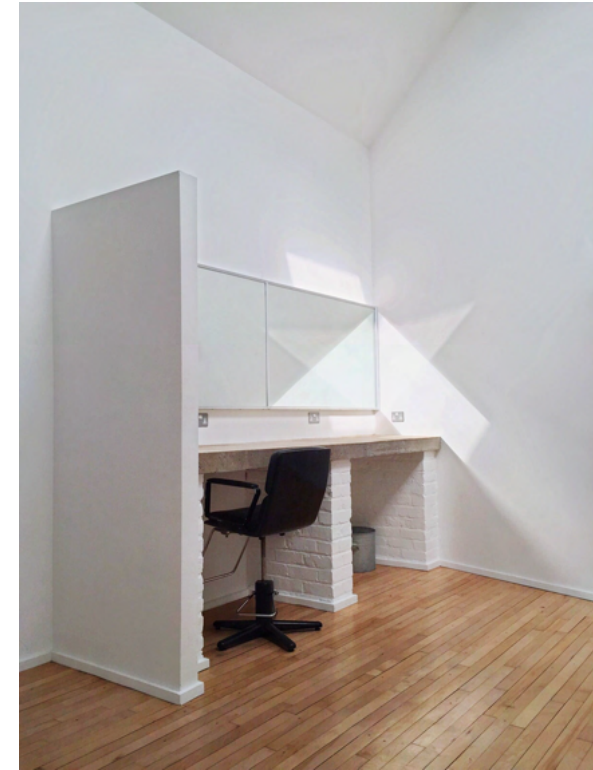

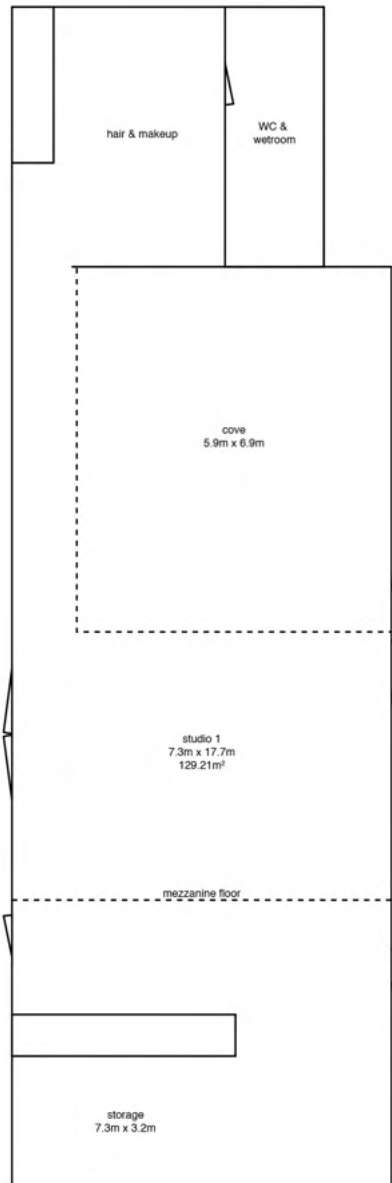

studio **one**

studio one is our largest space, featuring a full-height corner cove, a dedicated hair & makeup suite, and car park access via double doors.

this space benefits from the large roof skylights with electric blackout blinds that can be controlled individually to create the perfect lighting environment.

- 220m² drive-in studio
- 5.9m x 6.9m full-height infinity cove
- skylights with electric blackout blinds
- hair & makeup suite with backwash sink, w.c and shower
- access to the car park via 2.8m wide double doors.

studio **two**

studio two features a brushed concrete wall, glass brick window and infinity cove.

this studio can be linked with Studio One via the double barn doors to create a shooting space of over 300m².

the bar

our first floor bar is the true heart of the building, where the creative community meet to eat, drink & recharge.

available to hire for photography, filming, events and weddings, the luxuriously appointed lounging and dining areas also makes for a perfect setting for any production.

production

our dedication to providing quality spaces and services means that we have cemented our reputation as one of the UK's finest boutique photography studios.

our friendly team of producers, assistants and suppliers can assist with any and all aspects of your production, including equipment, set builds, catering, crew / assistants etc.

please contact us for our bespoke production services and pricing.
